GIMME FAITH!

Dear *Mayfair*,

My wife Nicole and I have never really been ones to socialise – we've always kept ourselves to ourselves and don't have many friends outside a very close circle. That all changed, however, when Nicole met Faith through the PTA and started hanging out with her. I didn't mind – she seemed lovely – so when Nicole suggested that we go out to dinner with Faith and her husband Phil, I didn't object at all.

“PHIL PULLED FAITH'S TOP DOWN AND BEGAN TO SUCKLE ON HER LARGE, BROWNISH NIPPLE.”

We chose a fairly casual restaurant (but one that serves good food, of course!) and it turned out to be perfect, as both Faith and Phil turned out to be a very relaxed couple. We all got on like a house on fire and before long were roaring with laughter at each other's jokes. It turned out that Phil is a bit of an art aficionado wannabe, like me, and spends most of his free time on the golf course, as I do. By the end of the evening, it felt like we had all known each other for years. So, when they invited us back to their place for a couple of nightcaps and the lure of a real piece of Damien Hirst artwork to purview, we readily agreed – especially as nobody had work the next day and we weren't driving.

Once back at theirs (and after checking out Phil's art collection), we saw off a bottle of Champus, before getting stuck in to a nice bourbon. As we chatted away and got more and more drunk, the conversation invariably turned to sex. Despite Nicole and I not being particularly open with people about our sex life ordinarily, we were so comfortable that we found ourselves admitting to certain kinks and dislikes in the bedroom department.

It was a little strange listening to Nicole telling Phil and Faith how I bring her off. It was also sexy when Faith told us about how she discovered her G-spot and taught Phil how to fuck her so he would

OIL BE DAMNED!

Dear *Mayfair*,

We're only one issue in, but for my money, *Mayfair's* already featured their highlight of the year for 2017! What an absolute stunner Kerrie Lee is, with her perfectly toned body, flawless shaven snatch and those two delectable boobs, all oiled up and ready to play with! She's got a gorgeous smile, too, which always indicates a winning personality, so if you reckon you've got anything up your sleeve for the rest of the year that can top her, well good luck to you! The only way to possibly top this set would be if you got Kerrie back again, which is something I very much hope you're planning to do!

We'll be doing something seriously wrong if we don't get her back, Eddie - Ed.

stimulate it. I was definitely feeling the beginnings of a hard-on, and I would have bet that Phil was too.

Then, out of the blue, Faith suddenly announced, "I'm so turned-on now – Phil you'd better fuck me!"

Somewhat shocked, I thought that they

were joking, but she stood up and went over to Phil, plonking herself in his lap started to kiss and caress him. I didn't know where to look. Then I glanced at Nicole and I could tell she was as turned on as I was. We were both glued to our seats, though, initially too awkward with the situation to do anything but stare. Until, that is, Phil pulled Faith's top down and started to suckle on her large, brownish nipple, his other hand sneaking between her legs.

Something changed in me and I moved next to Nicole on the sofa, putting my arm around her shoulders and pulling her in for a kiss. She felt tense, but relaxed as I stroked her face and gently pushed my tongue between her soft lips, encouraging her to let go of her inhibitions. She responded by kissing me back, gently at first, but then more urgent, and as I moved my hand down to her bosoms, I felt her open up to me, giving me permission to go ahead.

Pushing the straps of her top from her shoulders, I exposed her breasts and fondled each in turn until Nicole's face became flushed – a sure sign that she wanted me. I glance over to Phil and Faith and realised that she had his cock out and was wanking it as he sucked away on her boob. This turned me on so

THE LIGHT STUFF

Dear *Mayfair*,

Another cracking issue this month, but what I really wanted to mention (as a budding photographer) was the fact that two of the sets were clearly shot with all natural lighting. Firstly there was the ever classy Zoi, gazing wistfully out of the window as she peeled off her skimpy lingerie. Perhaps she's awaiting the return of her lover, where he'll be presented with the glorious sight of her writhing in the bed, her perfectly manicured pussy primed and ready for him. Sheer perfection!

And then there's Clea – the picture on page 77 perfectly demonstrating how light through a window can emphasize a curvy bum and lift it into the realms of pure art! My congratulations to the photographer in both instances – *Mayfair's* always a class apart, but when it pulls off this sort of thing it strays into the realms of the sublime.

William, Norwich.

Thanks William - *Mayfair* doesn't get described as sublime anywhere near as often as we'd like, so your letter's much appreciated! - Ed.

much that my prick throbbed and I was almost desperate to get my wife's knickers off.

I slid off the sofa so I was kneeling in front of her on the floor, then began kissing my way up her legs and thighs, pushing her skirt up as I went. Nicole's breathing had become faster and I could feel her trembling beneath my touch. This just got me harder and I sped up, whipping off Nicole's underwear and replacing them with my face. I licked slowly at first, but quickly found my rhythm when I heard Faith start to groan loudly from across the room. I was dying to peak at them, but my tongue had wormed its way into Nicole's sticky hole and I wasn't about to stop now she was so close to letting me fuck her.

I felt her hands in my hair, pulling my face further into her pussy, so I stuck my tongue out as far as I could and began fucking her cunt with it. She whimpered something about needing me, so I pulled away and undid my trousers, pulling my turgid todger from within and presenting it to her like a prize. I was so hard, it felt as if my cock was bigger than it had ever been before. Nicole hates fellatio so I knew I wouldn't get any joy there, so I gave myself a few tugs before placing my helmet at her pussyhole and slowly pushing my way inside.

I slid it easily into her sopping hole and pushed my way in fully, so I was down to my hilt, filling her up completely. I took the

opportunity to look over at our hosts, only to see Phil giving Faith some good hard thrusts as she knelt on all fours on the floor. Jesus, that was hot! I'd never been such a situation before and I almost felt like I was dreaming. Almost. Because feeling Nicole's tight, wet cunt around my dick as our new friends shagged in front of us was way too pleasurable a moment to be imagined!

As I screwed Nicole I fantasised what it would be like to fuck Faith and to get hold of her fantastic tits. That had me pounding Nicole's pussy even harder, and soon she was biting her bottom lip as she came. Her vaginal muscles contracted around my penis, gripping it tightly and making it twitch. While Nicole orgasmed, eyes shut, I glanced over to see Faith looking at me as she came! That was it for me, I couldn't hold on any longer, and I shot my load up my wife's cunt!

We see Faith and Phil regularly since that night – whether he and I have a game of golf, the ladies go to the spa or we hook up to fuck each other's brains out! It was on our third sexy session that I got my hands on Faith and her beautiful breasts – and I wasn't disappointed! We are now definitely swingers, but I'd say selectively so!

Doug, Tenby.

RAW BEX

Dear *Mayfair*,

Last summer my car packed up on me, which meant I had a few weeks of getting the bust to work before I managed to secure myself a new set of wheels. It wasn't so bad when it was cool... but I really missed my car's air conditioning on the occasional hot day. However, there was a welcome reversal of fortune when a feminine screech stopped the bus home just as it had started pulling away. Even I knew buses never did that and I looked down from the top deck, searching-out the source of the screech and reason for the sudden stop. There was a rapid click-clack of approaching high heels and I was treated to a spectacular, if fleeting glimpse down a girl's bouncing cleavage.

The owner of the cleavage staggered upstairs as the bus pulled away and sat down next to me. I eyed the still-heaving cleavage, which was on display due to a couple of buttons undone against the heat. Further down, a black skirt clung to hips and thighs like cellophane and a pair of divinely-inspired legs ran down to the strappy shoes. This woman was dressed to impress. It had probably been a good look back in her office, but here on the muggy top deck of the number 15 bus it was rather impractical.

"Mark" she said, and I guiltily dragged my eyes back up.

"Beccy?" I replied, recognising a girl from my past. In my youth I had imagined doing everything possible to that body, yet had been entirely unable to express my desires.

I was living the fantasy where Beccy was talking to me and my face hadn't flushed with embarrassment whilst my words were reduced to incomprehensible gibberish. True, there was still an echo of being out-of-control due to that disconcerting mixture of intimidation and raw lust that I have always felt in the presence of breath-taking beauty. But evidently, I had done some growing-up since I'd last seen her and was able to function as a human being as we sat together. She talked; I talked – we had a conversation.

"Well... this is my stop," Beccy said, all too soon. There was a look on her face, one which told me that she wasn't ready for this to end just yet. Neither was I – we'd been so busy swapping stories that we hadn't had chance to swap numbers. If I let her get off alone, I'd be risking losing touch with her again.

"Oh, I'll get off with you," I said, and I saw Beccy register the double meaning. The unthinkable happened. Beccy placed her hand on my leg and squeezed.

"Yes, I think there's a pretty good chance you will," she said, quietly. There was a faint but unmistakable smile accompanying the words. Had little Beccy just flirted with me? Beccy was downstairs by the time my dazzled brain registered the fact that I needed to move. I couldn't believe it – were my fantasies about to come true? One of them came true as soon as the bus left – I was alone with Beccy and she was smiling brightly at me. She licked her lips, swallowed and tilted her head back in an obvious invitation for a kiss. I was surprised – and pleased – and automatically moved into position, not daring to breathe.

It was electrifying as she pressed her mouth against mine. The kiss was chaste; a barely-there meeting

Does it seem to you that it's been rather too long since we last hooked up with south coast scorcher Natalia Forrest? Yes, us too, so without further ado let's put that right. And isn't she looking fetching in her stunning scarlet lingerie and... well, is that a diamond choker?!

"Ah, wouldn't that be nice?" she grins. "I've had a few gifts over the years from admirers, but sadly none of them have contained as many diamonds as this choker would require! Maybe if any of your readers would like to rectify that situation..."

Yes, maybe they would. Perhaps we ought to organise a whip-round...?

of lips but it left me tingling with heady emotions.

"Ewww, don't do that!" she squealed. I'd run my hand down the curve of her back from her soft hair down to the waistband of

day and I agreed that a shower would be wonderful. She placed a hand on my chest and kissed me again before giving me instructions for the shower and towels. I had just finished showering when Beccy walked in on me. She was naked too. Brilliantly, blazingly naked, seemingly

unself-conscious as I stared at her body; bare breasts which looked oversized for her small frame, sexy flat stomach curving down to a crotch dusted with a carefully-cropped fuzz of pubic hair and the darker skin of her labia clearly visible between her legs. I'm sure that her legs were slender and shapely but to be honest, I didn't look any further down.

I dragged my eyes up to hers, only to find Beccy looking down with a look of amused wonder on her face. My cock was already fully erect.

"Wow," was all she said, as she stepped into the shower and moved under the jet of cold water. I saw her skin tighten and her nipples go hard. "Do you think you could just do my back?" Beccy asked. Her face was serious but her eyes were

shining with excitement. I stepped back behind the shower screen and rubbed the proffered gel into Beccy's shoulders, then her back before rubbing lower, and lower.

"That feels good," Beccy murmured, wiggling her bum against the grip of my hands. "Now I think you should do my front," she said, turning round. As she did so, her soapy hand found my cock and started stroking it. I was suddenly so hot that I felt like I was perspiring even though I was standing in a cold blast of water. As

our naked bodies moved together my hand found its way between Beccy's legs and started rubbing. Her legs parted and as I penetrated her with my middle finger I felt rather than heard the muffled moans as she pressed her face against my chest.

I continued to rub my finger inside Beccy's pussy until her handiwork meant I

**"AS I PENETRATED
HER WITH MY MIDDLE
FINGER I FELT HER
MUFFLED MOANS..."**

was in danger of blowing my load, despite the cold water. As an escape I dropped to my knees, freeing my cock from her expert grip and gently polished her clitoris with my tongue until I felt her vaginal muscles spasm with orgasmic release. The small bathroom echoed to the uncontrolled sounds of Beccy's orgasm as powerful grunts softened to groans and then sighs. As I crawled-out from between her legs and returned to my previous position, Beccy seemed to be in a daydream. "That was..." she said, leaving me in no doubt that it had been good for her. Beccy made a move to drop her mouth towards my cock to return the favour.

A flood of remembered fantasies filled my mind but I intercepted her and guided my cock into the 'V' of her crotch.

Beccy's fingers played over my tip as she pulled my foreskin back and guided my aching hard-on inside her. Her pussy was almost impossibly tight – soft, smooth walls gripped my throbbing rod and there was a wonderful compression as she flexed her muscles around my cock. I started shafting her with soft, slow strokes – barely daring to fuck her at all – not because that was what she wanted but because the waves of thrilling ecstasy rushing through my body as a result of each single stroke were more intense than the sensation of full intercourse had been with other lovers. It was like every orgasm from all my wank-fantasies about Beccy had gathered together to be released as one.

I kissed her – she tasted fresh and clean. Her skin was cold now and goose-bumps were rising under my hands, yet my tongue was surrounded by warmth as Beccy opened her mouth against mine. The wet velvet heat gripping my cock was suddenly more than I could take. I prodded into her again and felt the sucking of an orgasm as the stimulation tipped me over the edge. "Oh, Beccy!" I groaned, and I held onto her, fearing that my knees would buckle under the strain of the endless waves of sheer pleasure.

She started laughing. "Oh, I'm sorry Mark," she said, as the giggles took hold. "No-one has called me 'Beccy' in years – I'm known as Bex now."

And that's what I've been calling her ever since, whenever I give her a lift to work and home... to my place!

Mark, Winchester.

GREEN BELTER!

Dear *Mayfair*,

I've lost count of the number of times I've emailed you asking when we'd next be seeing Emma Green in your mag (*looks like it's 14, according to our records – Ed.*), but every email was worth it thanks to the latest set of her. For my money, Emma's the epitome of what a *Mayfair* girl should look like – lovely natural curves, a gorgeous face, and a propensity for wearing alluring lingerie! Oh, and a gorgeously neat pussy, too! Please don't leave it for so many emails before you feature her again!

Alan, Bristol.

Well Alan, that all depends how frequently you send those emails, doesn't it? – Ed.

her skirt. Beccy's blouse was now stuck to the contours of her back like wet wallpaper. "Don't touch me – I'm disgusting," she said, and with that, she set off with a determined walk and as I followed her wriggling bum, the bright sunshine only partly responsible for the steam rising from my trousers. By the time we arrived at Beccy's place, I needed a cold shower for two reasons.

"Do you want to grab a quick shower?" Beccy asked, perhaps reading my mind. It was a relief to escape the heat of the

If there's two thing these isles are famed for producing, they've got to be world class rock bands and world class girls – so why not (we thought) combine the two with a set? Cara was definitely up for it too, although it soon became clear she was more worried about damaging her nails than attempting to play the bass guitar...

“Look, would you rather I had gnarly fingers just for the sake of knocking out a few riffs?” she asked at one point, and we couldn't really argue. And besides, looking at her, there's are more important things to knock out than riffs!

It's been a full six issues since we last clapped eyes on Flick's high-on-perfect bum, and we're glad to say that, if anything, it's got even better! How could that be?

"Oh, well, I've been making a bit of an effort to keep in shape – people think this job's all just larking about and taking your clothes off, but you can't let yourself go! Now I'm 23 I think I need to pay attention to that sort of thing. Don't you?"

I don't know about that – 23 seems pretty young to be worried about keeping in shape. The only exercise I got when I was that age was from lifting a pint glass now and then (Yes, and look where that got you! – Ed.).

M

QUEST...

Reckon it's high time we had a trio of confessions from some of our lady readers? Well so do we - and here they are!

I class myself as quite a sexually adventurous girl, but having never experienced alfresco sex I had high expectations for a bit of outdoor experimentation when I went on a two-week break at an all-inclusive resort in Mallorca with my best girl friend, Nisha.

We spent the first week sunning ourselves

sand. However, they obviously took their jobs seriously, barely coming on to us and certainly not leaving their posts. However, I did catch them eyeing me up a few times, so I figured that if I could catch one of them at the right time, my luck might just be in...

It was halfway through the second week when Nisha and I made a bet about who could pull one of the hunky lifeguards. Having tried everything else in my

repertoire, I hatched a plan of how to get their attention, without compromising their precious job security!

I swam as far from the crowd as possible and began calling out and splashing around in the water. It wasn't long before someone noticed and people began shouting and pointing towards me. Naughty perhaps, but desperate times call for desperate measures!

Very soon, the two sexy lifeguards that I'd been eyeing up were swimming strongly towards me. Before long I felt the strong hands of the first lifeguard, a beautiful blonde, gripping me from behind, supporting my weight as his partner joined him. Throwing my arms around them and breathlessly thanking them, both in English and my best Spanish, I nuzzled into them and pushed my body against them in turn. I was pretty sure that they got the message, but just

in case I was being a bit subtle I began kissing the first guy's neck.

Pulling back in surprise momentarily, it didn't take him long to change his mind and he planted his lips firmly on mine, his tongue finding its way inside my mouth roughly. His

mate said something in Spanish (or maybe Catalan!) and the first guy stopped kissing me long enough to reply, before continuing to snog my face off. Whatever they said to each

other obviously worked as I felt the second lifeguard begin to feel me up, his hands groping my bum cheeks before worming their way up to my boobs to pinch my nipples.

My breathing became ragged as they held me firmly between them, their hard bodies keeping me afloat as their hands wandered all over my bikini-clad frame. Turning to face the blonde, I kissed him passionately and threw my legs around his waist, while his mate pushed his rigid cock up against the crack of my arse. This turned me on so much I threw my head back so it was on his shoulder, allowing his mate access to my full breasts. Pulling my bikini top down he sucked on my nips, making me gasp with delight and I felt his dick swell against my pussy. This was the stuff my dreams were made of!

By now, the man behind me had his fingers down the back of my swimsuit and was skillfully probing my juicy fanny with his fingers, dipping them inside my aching hole. I moaned loudly, knowing full well I couldn't be heard.

Meanwhile his partner gently pushed my legs down from around his waist and begun to remove my bikini bottoms. Eventually achieving his objective, he looped the leg of them around his wrist and joined his mate in sticking a finger into my willing cunt. I had never been fingered by two guys at once before and I squealed, my stomach doing somersaults. My pussy muscles gripped eagerly at them, and, encouraged by my response he grinned wickedly at his friend and said something to him in Spanish.

HOLDING ME
BETWEEN THEM
THEY FUCKED BOTH
MY HOLES...

Looking around furtively - I assume to check there was nobody in jeopardy - they whipped them off and attached them to the lifesaving floats that bobbed on ropes from their wrists. Now naked, the one behind me began nudging his cock head against my anus while his friend held me steady.

My sphincter stretched, allowing access to his large cock and I groaned as I felt it insert inch by inch, my rectal muscles gripping the thick shaft. With a little jerk of my butt, his full length was lodged inside me, filling my clenching aperture. I absolutely love bum sex, so was already in blissful heaven, but when the blonde hunk continued suckling on my salty nipples I thought I'd come there and then! But he wasn't done yet: gripping my hips he eased his cock inside my excited cunt, adding immeasurably to the sweet sensations his friend was engendering in my arsehole.

Holding me between them, they fucked both my holes as our bodies bobbed up and down in the buoyant seawater. It felt so delicious and naughty, being double-teamed in the baking hot sun and cool water, that

by the pool, keeping our eyes open for any talent but were severely disappointed - apart from dads, husbands and fat, balding blokes, there was a real lack of any male species around! The only eye candy were the two lifeguards on duty at the adjoining beach - and boy, were they hotties! Their tanned bodies with their well-defined muscles made my clit tingle and I couldn't help but gawp at them as they worked. Thank goodness for sunglasses!

So Nisha and I did everything we could to attract their attention, flirting outrageously whenever we passed them, flaunting our near-naked bodies as we strutted along the hot

(unsurprisingly) I came really quickly, crying out as wave after wave of spectacularly climactic orgasm washed through me, causing me to shudder violently. The tightening and convulsing of my pussy muscles made both men come almost instantly and simultaneously, their stiff members spewing hot spunk inside my holes, filling me to the brim with their molten cream.

After removing their deflated pricks from my orifices and, somewhat awkwardly replacing their swimming trunks, my lovers swam me back to the shoreline – trying to maintain an air of professionalism, despite it being fairly obvious to anyone who cared what we had been up to!

Although I hadn't mentioned my sneaky plan to Nisha, she had been watching my antics from her sun-lounger, and when I finally made it back to shore, she couldn't hide her jealousy! Not only had I accomplished my mission of finally experiencing an outdoor shag, I'd won our little bet – and done it in the most spectacular way possible! We'll definitely be returning to the same hotel next year – and Nisha reckons she'll outdo me next time. I reckon she'll have her work cut out for her!

I was asked to go on a secondment at work. As usual with these things, there was no more pay but a lot more work. 'It'll look good on your CV' is what they'd said. But the reason that I took it was because I would be working for a guy called John – otherwise known as 'Big John'. I had been expecting John to be on the portly side before I met him but he turned out to be a rather handsome chunk of muscle. I enquired as to why he was known as 'Big' John and his assistant, Effie, giggled. "He's big... you know – down there."

"THE TIGHTENING AND CONVULSING OF MY PUSSY MUSCLES MADE BOTH MEN COME INSTANTLY AND SIMULTANEOUSLY..."

I felt myself blushing, having never discussed penis size with a work colleague before. I wanted to ask how she knew, about actual dimensions but couldn't summon the courage and changed the subject.

Armed with that vital piece of information about my new boss, I found myself fantasising about making love to him. It was hard to concentrate when he was around me. I kept looking at the lump in his trousers and thought about easing his zipper down and taking a peek inside. In fact, it would be accurate to say that I was soon obsessed with the contents of those trousers. But the interest seemed to be entirely one-directional. Even when I wore my tidiest blouses and leant over to look at something on his desk, John never took even the sneakiest peak at my cleavage. It was disappointing and frustrating: no guy had ever ignored my wares before. However, there was a reason why he didn't dare look, as I found out when I came back from the gym to pick-up my things one night.

The office light was on, which wasn't unusual – John often worked late. What was unusual were the noises emanating from the room: someone was having sex. The connecting door was open and I tried to sneak past to get to my stuff. Unfortunately, Effie gasped as she spotted me tip-toeing past. I couldn't help but turn towards the sound. She was sitting in John's chair behind his desk and she appeared to be

wearing only a look of surprise. I'd seen her sitting at that desk hundreds of time before. But never quite like that; her make-up and hair were exactly as she wore them every day for work. Which made the fact that her breasts were completely bare all the more surprising. She froze but I could hear sucking

EFFIE RAN HER HANDS OVER MY NAKED BUTTOCKS AND INTO THE SENSITIVE GROOVE BETWEEN.

and squelching noises coming from under the desk. Effie hissed something and my mouth fell open as John popped up like a meerkat from between Effie and the desk and swivelled round to look at me.

I was getting ready to run but John stood-up before I had time to turn away. My boss's cock came into view and I couldn't help but stare at it. He was generously endowed – for a porn star. His cock was literally twice the size of my boyfriend's. Not only was I not running away but there was an unmistakable surge of excitement which led to a moistening between my legs. I'd gone from being horrified to turned-on in seconds. John strolled over with his magnificent cock waving from side to side. I was mesmerised, not resisting as he put his hand around my waist and pulled me forward – forcing my unresponsive legs to take a couple of jolting steps before shutting the door behind me. Then he kissed me. My mouth and nose were filled with a strange, yet familiar musky scent. As John worked my lips, I realised that I was tasting my work colleague's pussy juice.

"Can you taste her?" John asked knowingly,

transferable – what was I supposed to do when giving oral sex to a woman? Only then did I realise the significance of what I was doing, the boundary I had just crossed. I suddenly felt dirty... and excited. Without thinking about it, I pushed my hand down my running shorts and fingered my own pussy.

I still had no idea what I was doing with my mouth but I did it with enthusiasm. That seemed to be enough: every movement of tongue

and lips met with delighted gasps of pleasure.

Eventually I found Effie's clit. I could feel it as a smooth, soft pearl, peeking out from under a harder nub of flesh which resisted my tongue. Knowing how amazing it feels when a mouth concentrates on this most sensitive of flesh, I kept my tongue gently teasing, flicking at it again and again. I could hear that Effie was approaching orgasm and couldn't help smiling even as I sucked her juices into my mouth. Effie's breathing became increasingly broken, coming in gulps and gasps. Her hips angled down towards me and then she let-out a high-pitched cry of intense sexual relief. Her body spasmed against my face and I was filled with elation at having made her orgasm.

Effie moved forward, straddling my back as I knelt on my elbows and knees. I felt her thumbs inside the elasticated band of my shorts. Moments later, they ran all the way down my thighs to the floor. I couldn't tell whether my knickers had gone with the shorts. Then Effie ran her hands over my naked and very exposed buttocks and into the sensitive groove between. "She's got a great bum, hasn't she John? You can tell she

does a lot of running." There was a grunt but John was too busy taking aim with his cock to engage in conversation. I felt the tip press against my pussy: hot and blunt. About to be penetrated by the biggest cock I'd ever seen, I started to lose my grip on reality. It felt like it was happening to someone else as Effie's hands pulled on my skin. She was helping our boss get his enormous cock inside me – taking her role as his personal assistant to very extreme levels. My pussy stretched and then accommodated. I let out an extended grunt as this mammoth cock suddenly slid into me.

It felt like I was being fucked by a rolling pin as John ploughed into me. At first, I was shocked that my little pussy could take such abuse but as he drove in harder and deeper, I found that I loved it. Perhaps this could be the start of a sexy new adventure. It was about time that I went a little crazy and had a bit of fun. And here it was being offered to me on a plate: if they were willing to let me in on their office shenanigans, I was more than happy to join in. Effie reached underneath me and as our boss fucked me, she played with my clitoris. Even given my level of arousal, it was surprising just how powerful the sensations were as I was simultaneously fucked and fingered. I began to come, not in a big bang but in a whole series of fabulous little explosions. Was this a multiple orgasm? My over-stimulated pussy was twitching and contracting in a seemingly endless wave of ecstasy.

My pussy began to throb and I needed to finish myself off. What I did next surprised me. Without thinking, I wet my finger in my mouth, slid it along my back and pushed it down into my arse. It's the best way for

"I COULDN'T BELIEVE WHAT I WAS DOING AS I WORKED MY TONGUE AROUND..."

nodding towards Effie. I nodded. Perhaps realising what was coming next, Effie rotated the chair and stretched her legs apart. "Why don't you go and get a proper taste?" I stumbled round the desk, wondering what the hell I was doing. 'I'm not a lesbian,' I kept thinking to myself... but I did like the tangy aftertaste that was filling my mouth. Would it so bad to put my mouth down between Effie's legs? Effie for her part was watching me very carefully, perhaps even more surprised by this turn of events than me. As I knelt between her knees, Effie tried to use her fingers to spread herself open, however her pussy was so juicy that her slippery labia refused to be held in place and kept escaping her grip. It didn't matter as my mouth pressed against her pussy and I started to lap at her hot, wet flesh.

I couldn't believe what I was doing as I worked my tongue around the soft interior of Effie's private parts. I'm well-versed in the art of cock-sucking but the skills weren't

me to get off when I masturbate. However, I've never done it in front of anyone else before. Only after the enormous eruption of my final orgasm had finally faded did I realise what I'd done in front of my boss and his PA. Effie pulled me into a crouch and kissed me. Out of the corner of my eye, I saw John wanking his cock and as he groaned we were both showered with fountains of juice.

"You're more than welcome to join us for a session any time," John joked as we left. I've taken them up on the offer a few times now – it makes a change from going to the gym and I still go home feeling as though I've had a great work-out.

I've just back from holidaying with a large group of friends in Cornwall. As usual, we rented a holiday home so we could come and go as we pleased, without any reception staff giving us gyp for being drunk. On our last night, everyone clubbed together to buy enough booze for an all-night party, for ourselves and any friends we'd made during the fortnight we were down there.

Halfway through the evening, we drunkenly decided we were going to go skinny-dipping off the beach when the sun came up. I like my body, but I didn't feel like I could compete with some of the big-titted, curvier girls there. I started feeling a little paranoid about the whole naked thing, but then I had an idea.

I locked myself in the upstairs bathroom, nicked a big handful of one of the boys' shaving foam and worked it into my long pubes. Every last one of them was coming off.

Once I'd rinsed off all the excess soap and hair shavings, my twat felt so sensitive. The bathroom window was open, and I felt a cool breeze blow in. And when I touched it, it felt so gorgeously smooth.

I couldn't help myself stroking my velvety softness, and pretty soon it had the obvious effect. My pussy began to juice up, filling my slit with sticky wetness and it was like my clit inflated, poking out from between my paler labia. And, because I'd been sunbathing in my

skimpy bikini, I was brown all over, apart from a really pale triangle – even if it didn't quite glow in the dark, it definitely drew your eyes.

As the sky started to get light, we all ran, laughing and whooping down to the little stone pier, leading off the beach. The tide was completely in so we knew the water was deep enough to have a swim. I bided my time, letting Debbie, one of the big-boobed girls lift her top up and shake them at the lads, before most of the girls joined in, screaming with laughter. I think everyone just thought I was shy, not joining in – one of the girls said, "Aww, c'mon, we're all doing it, join in! And you've got a really sexy body – you should show it off!"

I wasn't exactly confident with my body (my tits were still too small!), but I knew I looked good, with my recent bit of pubic-topiary!

"OK, here goes nothing..." I said, and with that, I pulled my T-shirt off – I wasn't wearing a bra – then slipped my knickers down, feeling a hot surge of juices as I realised most people were watching the 'shy girl', to see how she reacted. I looked around.

Among the other girls, there were mostly neatly trimmed pubes (back like mine had been), a couple of full-on bushes and one Brazilian – I couldn't help thinking that it was a DIY job – but I was the only one with a bald beaver, and I think it was noticed!

One of the girls, a blonde with huge boobs, seemed a bit marked by my attention-seeking, and asked if we were here to swim, or what? Everyone jumped in the water and, as we splashed about, one of the guys, Ryan, swam up and asked – still nervous even though he'd obviously had some Dutch courage – could he have a little feel of my pussy, as he'd never actually touched a "shaven haven" before.

I should have said no just to punish him for calling it that! But maybe he was just curious – and if he was coming on to me that was fine by me, as I quite fancied him anyway!

"OK," I told him and his hand moved a bit shakily in between my thighs. At first, he did only touch the outer labia, testing my shaved bits. But then he started rubbing a bit harder, caressing them, and one of his fingers slipped in between them. As Ryan started probing my hole I moved in for a kiss, started fucking my tongue in and out of his mouth to the same rhythm as his finger.

We were well into it by the time someone noticed, but then the wolf-whistle they so kindly did, drew everyone's attention to us. I don't think anyone followed us when we swam to the steps on the other side, but knowing they were close and could probably guess what we were doing, really turned me on.

I told Ryan to lick me out, so he poured a bottle of beer over my crotch to rinse off the salt water (apparently), and, of course, it fizzed right up, which felt amazing. Then he began to lick me. The feel of his tongue, coupled with the fizz of the beer felt amazing and it took me a few minutes to get used to the sensation.

He took ages over tonguing every smooth inch of my snatch, lapping up the juices, but only going near my clit when I groaned in frustration and grabbed him by

the hair, trying to move his mouth onto it, or at least close by. He sucked on it, lashing it with his tongue till I climaxed, but all I really wanted was to feel his fat cock wedged right up inside me.

The water had been a bit cold for Ryan – need I say more? – but my hands soon got him big and rock-hard. I think I played with him a bit too enthusiastically – I just kept rubbing him against my clit, till I tossed his load all over it.

No big deal – in fact, I'd never seen anything so sexy in my life. My cute little slit, all shaved and pale – just a bit darker on the folds from where I'd come, and now it was splattered all over with pearls of thick, creamy spunk.

Then I saw the second-horniest thing ever. Ryan started licking my fanny, tasting his own self, his tongue licking every inch of my twat. I knew he'd soon get hard again, and it happened almost immediately. This time, when Ryan fucked me, he lasted for ages, and I just spread myself wide, watching him as he ploughed his shaft in and out of my hole, so much darker and shinier than my delicate flesh.

Shame Ryan was just a holiday fling as he was a bloody good shag, but I've kept on shaving my pussy, every Friday for the weekend without fail. It makes me feel so sexy and my pulling power seems to have gone through the roof!

A man kills a deer and takes it home to cook for dinner.

Both he and his wife decide that they won't tell the kids what kind of meat it is, but will give them a clue and see if they can guess.

"Can you help me? I have the feeling someone is always watching me!"

The kids were eager to know what the meat was on their plates, so they begged their dad for the clue.

"Well," he said, "it's what mummy calls me sometimes."

The little girl screams to her brother, "Don't eat it, it's an arsehole!"

A woman in a supermarket is following a grandfather and his badly-behaved grandson.

He has his hands full with the child

screaming for sweets, biscuits – all sorts of things. The grandad is saying in a controlled voice: "Easy, William, we won't be long... easy boy."

Another outburst and she hears the grandad calmly say: "It's OK William. Just a couple more minutes and we'll be out of here. Hang in there, boy."

At the checkout the little horror is throwing items out of the trolley. Grandad says again in a controlled voice:

"William, William, relax buddy, don't get upset. We'll be home in five minutes, stay cool William."

Very impressed, she goes outside to where the grandfather is loading his groceries and the boy into the car. She says, "It's none of my business, but you were amazing in there. I don't know how you did it. That

whole time you kept your composure, and no matter how loud and disruptive he got, you just calmly kept saying things would be okay. William is very lucky to have you as his grandad."

"Thanks," says the grandpa. "But I am William. The little shit's name is Kevin."

A wealthy Arab Sheikh was admitted to hospital for heart surgery, but prior to the surgery, the doctors needed to store his type of blood in case the need arose.

As the gentleman had a rare type of blood, it couldn't be found locally, so the call went out.

Finally a Scotsman was located who had the right blood type. The Scot willingly donated his blood for the Arab.

After the surgery, and in appreciation for giving his blood, the Arab sent the Scotsman a new BMW, 5 carats of diamonds, and £50,000. A couple of weeks later, though, there were complications and the Arab had to go through a corrective surgery.

The hospital telephoned the Scotsman who was more than happy to donate more of his blood again.

After the second surgery, the Arab sent the Scotsman a thank-you card and a box of chocolates.

The Scotsman was shocked that the Arab did not repeat his kind gesture as he had before.

He phoned the Arab and asked him: "I thought you would be generous again, that you would give me another BMW, diamonds and money ... but you only gave me a thank-you card and a box of chocolates."

To this the Arab replied: "Aye laddie, but I have Scottish blood in ma veins now."

M

The owner of a fancy hotel bar and restaurant has a bit of luck on the lottery and scoops the jackpot. He decides to throw a party for all his friends and lays on everything: drink, food, girls – the lot.

Being a bit weird, he decides to fill the pool with crocodiles. During the party he announces that whoever can swim across the pool and remain unharmed will get anything he wants. ANYTHING. But no-one moves. Then all of a sudden: SPLASH! Someone's in the pool. Crocodiles are all over him, but he bravely wrestles them off, fighting and dodging till he gets across, incredulously unharmed.

"Wow!" says the owner of the complex. "You were amazing! So do you want the girls now or later?"

I don't want them at all," replies the guy, looking mighty pissed off. "All I want is the bastard who pushed me!"

Q: What did the blondes right leg say to the left leg?
A: Nothing, they haven't met!

Fancy a big-boobed, bushey-pubed British newbie? Yes, we thought you might, so allow us to introduce Carly Rae, who's sharing her charms with *Mayfair* readers for the very first time! So Carly, it's great to have you on board – but what got you interested in modelling in the first place?

"I've always been into fashion and clothing, and so I've spent plenty of time taking pictures and wondering about what to wear, and as I got older I started getting a bit more into the sexier side of things as well – I'm very comfortable in front of a camera, as you can probably tell!"

Yep, we had got that impression!

Manchester's produced many world class things over the years, from numerous drug-addled beat groups to a couple of above-average successful football teams, and now here's another tick to put in the city's credit column – a busty Babestation beauty who's now decided to treat *Mayfair* readers to an eyeful of her not inconsiderable charms! So Kaitlyn, have you got anything to say on this, the occasion of your *MF* debut?

"Well I hope they enjoy my pics. I'm getting wet just thinking about all those horny guys out there!"

OK folks, it's about time we unleashed another stunning newcomer on you, don't you think? And we're chuffed to bits to be able to unleash one as lovely as Mia Middleton here, who's been wowing fans on certain TV channels for a while now but has thankfully decided that an appearance in *Mayfair* is just the ticket. But Middleton... she's not related to any royal wife, is she?

"No, not as far as I know!" she laughs, "and to be honest I'm not sure I fancy that anyway. Being in the public eye like that would really cramp my style!"

Well we'd really hate for that to happen!

KATIE

Age: 26 Vital Stats: 34DD-25-37 5'6"
Photographer: Dazglam

What could be more English than afternoon tea – especially when it's served by a busty bird in a French maid's outfit?!

"Well, I've done the dusting, made the bed and now there's nothing else for me to do except serve tea – are you complaining?" asks Katie as she pushes a scone (pronounced 'Scone', btw!) in our direction.

To be honest we can think of one or two things we'd rather she was doing, but once she's flipped her mega-mams out we really can't complain too much. Now only one question remains – one lump or two?

Yes, we know we've left it a bit late in the day, but just because it's issue 13 doesn't mean we can't spring a foxy new Mayfair debutante on you, does it? Yes, advent usually means the Ed spends the weeks running up to Christmas in a boozy haze, but he's still just about compos mentis enough to know a good thing when he sees it, and when Cheshire lovely Honour May got in touch he was up out of his chair almost before you could say, "Come on old timer, it really is time to get up out of your chair now, you know!"

Ahem, anyway, rather posh Honour's surely the perfect way to kick off the last issue of 2017!
